

GRIFFIN FIRE DEPARTMENT

Thurston County Fire Protection District 13

Fire District 13, Griffin Fire, Fire Insurance Rating Change

Date: January 27, 2017

The Griffin Fire Department is happy to announce that we have improved our fire insurance rating from 8a to 5. This rating is from The Washington State Ratings Bureau (WSRB). This change is due to improvements in training, service, and recognition of tender (water truck) operations.

This rating change will be effective May 1, 2017. Community members should contact their insurance companies after this date, for any possible changes or discounts to their policy.

The Griffin Fire Department is proud to serve the Steamboat community and will continue to provide quality services.

Press Release Date: 01.27.2017
